One of the easiest ways to get the news out about your campus sponsored clubs or events is to create a poster or flyer, which must include the following:

- an approved Colorado State University Pueblo logo
- name of sponsoring department or organization
- contact information (either phone number or email)
- date
- time
- location

2

Please note, there are branding guidelines for all marketing materials, including colors, and fonts. Use University approved fonts, colors, and logos.

Once the poster/flyer has been created, share it with the MCCR team in one of three ways:

- Using a public or unique Canva account, click on the "get approval" button in the upper right hand corner. Select "Kelsey Herman" in the approver selection.
- Follow the QR code below to MCCR's intake form. Fill out the form and upload your poster/flyer in the document section.
- Bring one print out of the flyer to the Administration Building, Office 320.

4

Within 2-3 days, you will be contacted by a member of the MCCR team. If you need to make edits, you will need to resubmit the poster/flyer for approval. If you receive the approval stamp, you are ready to print your posters from the PDF form and display them in the approved locations across campus.
