I DEBEG	Nursing BSN		Program prior assessment report here:	https://www.csupuebio.edu/asse	ssment-and-student-learning/_doo	:/2021/2021-assessment-repo	orts/nursing-bsn-2021-assessment-
Report Completed By:	Lisa Persons, DNP, RN and Rut	h Depalma, PhD, RN					
Date Report Completed:	August 14, 2023						
Faculty members involved in this Assessment:	L. Murtaugh, J. Heintzelman, H S.Nichols, A. Bajah-Onyejekwo						
Please describe this year's assessment minor, certificate, and graduate progra assessment plan. The reports will be a reviewers.	im in your department.) Pleas	e also submit any addenda s	uch as rubrics which are not	t available in your			
Brief Statement of Program Mission and Goals:	The mission of the School of N as safe, competent and caring						
I. Assessment of Student Learning results, and recommendations for i describe improvements planned fo	improved student learning.	Use Column H to					
A. Your program SLOs are pasted here verbatim from your assessment plan. Please enter info in columns B-H only for those assessed during this annual cycle.	B. When was this SLO last reported on prior to this cycle? (semester and year)	C. What method was used for assessing the SLO? Please include a copy of any rubrics used in the assessment process.	D. Who was assessed? Please fully describe the student group(s) and the number of students or artifacts involved (N).	how many or what proportion of students	F. What were the results of the assessment? (Include the proportion of students meeting proficiency.)	G. What were the department's conclusions about student performance?	H. What changes/improvement s to the program are planned based on this assessment?
End-of-Program SLO 1 Key Element: Patient Advocacy Demonstrate caring through advocacy for patients by providing compassionate care based on respect for patients' preferences, values, needs	Collection Annually Fall & Spring Analysis: Annually Fall	In NSG 420, instructor collects scores on the test questions (numbered/labeled) and sends to undergraduate nursing program coordinator	Fall 2021 Basic cohort - n=82 Spring 2022 Accelerated cohort - n=40	90% of students will answer three ExamSoft test questions on patient advocacy correctly.	Fall 2021 Basic N=82 Question 2280-92% Question 2227-97% Question 22243-90% Spring 2022 Accelerated N=40 Question 2280-95% Question 2227-98% Question 2227-98% Benchmark met for both basic and accelerated cohorts	Trend continued with question 2243 related to advanced directives. Spring of 2022 Implemented simulation of DNR patient.	Due to implementation score improved by 9% from Spring 2021. Will continue simulation changes and monitor.
End-of-Program SLO 2 Key Element: Collaboration/Safe, Quality Patient Care Collaborate effectively with the health care learn to achieve safe, quality patient care.	Collection Annually Fall & Spring Analysis: Annually Fall	NSG 311, instructor to collect scores and send to undergraduate nursing program coordinator	Fall RN-BSN cohort - n=7 Spring cohort - n=5	80% of students will score three or better on a case study on the nurse's role in quality, safety, and patient advocacy. Course objective: Appraise principles of safety and quality improvement to monitor the outcomes of care processes for patients and families across the lifespan.		Fall 2022: 3 years data consistent and goal met	New measurement created and will monitor
End-of-Program SLO 3 Key Element: Best Current Evidence	Collection Annually Spring & Summer Analysis: Annually Fall	Casey-Fink Readiness for Practice Survey-In NS 451, instructor collects data and	Spring Basic cohort - n=58 Summer Accelerated cohort - no data	90% of students will report medication administration as a top skill they are comfortable	2021-2022 Basic N =58 96.5% Accel no data due to new	Maintain and analyze accelerated data. Instructor now aware data still needed	

End of Program SLO 4 Key Element:	Collection Annually Spring &	EBI Exit Survey-Director of	All graduates who completed	80% of students will rate AACN/	Mean score 5.86 Benchmark	while benchmark was met,	Measurement was increased	
Professionalism/Leadership	Summer Analysis: Annually Fall	Nursing collects results and	the AACN Exit Assessment	Benchworks Undergraduate	was met	goal is to increase	from a goal of 4 in 2020-2021	
Demonstrate professional identity, integrity	, , ,	sends to undergraduate nursing	n=35	Nursing Education Exit		participation on this Exit	to a goal of 5 in 2021-2022.
